

# I'll Hand you the Diagnosis

**Dr Nick Taylor**

Visiting Emergency Medicine Specialist, ETU, Teaching Hospital  
Karapitiya, Galle, Sri Lanka

Senior Specialist and Director Emergency Medicine Training,  
Canberra Hospital, Australia

60 yo man with SOB

- You are assessing him and notice his hands look a funny colour
- Sats are 98%

- What is the spot diagnosis?
- What are associated complications?
